

## ***CHEER. STUNT. TUMBLE. BUILD it!***

Hello!

I am writing you today for your much needed assistance and support. As we are all aware School districts, Youth Programs and Non-Profit organizations across the country have all been dealing with huge budget cuts and are unable to provide the much needed funds for our athletic programs.

I am a member of Build It Athletix, a local All-Star Cheerleading gym. Today cheerleading is recognized as a sport in almost every state, including Washington. All star cheerleading teams compete nationally and train for many hours each week, much the same as competitive gymnasts. Some all star competitions are even broadcast on national television! Top cheer athletes even receive college scholarships.

Build It Athletix is a gym with six competitive cheer teams, a total of more than 100 athletes between the ages of four and eighteen. These athletes compete year round at local, regional and national competitions. In three short years, the teams at Build It Athletix have captured numerous Regional and National Championship titles! Build It Athletix is committed to giving our teams a chance to gain all that competitive cheerleading offers; Teamwork, Sportsmanship, Confidence, Physical Fitness, and the Motivation it takes to overcome challenges.

Build It Athletix is not affiliated with any school and receives no funding to assist in their competitive endeavors. Therefore, to assist in offsetting the extremely high costs of training, travel and competition fees, all star athletes seek support in the form of corporate sponsorships and fundraisers. I am writing to you today to invite you or your company to participate as a corporate sponsor.

You may sponsor any amount, and there are advertising packages enclosed. If you wish to participate, complete and return the form attached. Make check payable to Build It Athletix. Thank you in advance for your generous support.

Sincerely,

Build It Athletix
